The Audi A3 Cabriolet

Pricing and Specification Guide

Valid from December 2012

Personalising your Audi A3 Cabriolet

This guide has been designed to help you tailor and price your Audi A3 Cabriolet quickly and logically. At the back, you will find information on CO_2 emissions-based taxation and the other services offered by Audi, including Finance and Insurance. You can also configure your Audi A3 Cabriolet online at audi.co.uk.

You might also like to consider Audi Complete: a simple way to take care of servicing and maintenance costs for your Audi in a single package. You pay a one-off or monthly fee and we'll cover all your servicing, maintenance and tyres for the next three years including your first MOT. It means you only have to pay for fuel, insurance and your Road Fund Licence. So you can be reassured that your car will be maintained by trained Audi Technicians, using genuine Audi parts.

Vorsprung durch Technik

Three words that express the very essence of Audi. Vorsprung durch Technik isn't a slogan. It's our way of seeing the world. It is the driving force behind our history of innovation that continues into the 21st century. Indeed, many technologies that Audi pioneered remain in our cars today. Some are milestones in the history of the motorcar.

From our beginnings in 1899 to the Auto Union team's Grand Prix successes in the 1930s and our more recent wins at Le Mans, we have always been at the forefront of the motor industry.

Vorsprung durch Technik makes us who we are. To see more of its influence, just read on.

HH QQ 750

The A3 Cabriolet, with a roof that closes in just 11 seconds

With the Audi A3 Cabriolet, we've taken all the qualities you'd associate with Audi – stunning design, sporty looks and progressive styling – and brought them one step further. From the sweeping, expressive lines of the body to the smooth silhouette of the canvas hood, which closes in just 11 seconds and can be operated at speeds up to 18mph, it's got all the dynamic character and appeal of a coupé. And even more impressively, we've combined this with the everyday practicality of increased luggage capacity and space for four people.

A3 Cabriolet interior story

We've introduced a number of finishing touches to the Audi A3 Cabriolet interior to make your driving experience both comfortable and unique. You'll find an impressive attention to detail in everything from the leather steering wheel to the optional luxurious leather seating, which means that every journey you make will be a personal one.

Engines

Petrol

FSI® direct-injection technology is a unique Audi innovation that was originally developed for the Le Mans 24-hour endurance race to deliver more power and torque, as well as enhanced fuel efficiency. Precisely the right amount of fuel and air are injected into the combustion chambers, enabling the engine to ‘breathe’ more easily. It results in reduced heat loss and increased output, with around a 15% reduction in fuel consumption and significantly lower exhaust emissions. We’ve also developed TFSI®, with turbocharging, which combines FSI® technology with forced induction – giving cars an extra injection of power.

Diesel

We introduced TDI® to the roads in 1989, marking a departure from the noisy, fuel-thirsty diesel engines of the past. And since then, we’ve continuously refined it, recently developing common-rail technology. Under this system, a series of piezo injectors use electrical charge to precisely control the amount of fuel injected into the engine. As well as reducing noise, this allows combustion to happen at a lower temperature and with less oxygen, which lowers emissions.

Images for illustrative purposes only

Transmissions

S tronic®

The revolutionary S tronic® gearbox combines the agility and responsiveness of a conventional 6-speed manual gearbox with the convenience and smooth, uninterrupted power of an automatic transmission. The technical basis of the S tronic® gearbox is the double clutch. This consists of two lubricated plates with hydraulically-regulated contact pressure. One engages the odd-numbered gears, the other the even-numbered, enabling gear-shifts to be made in a fraction of a second, with no disruption to the power flow. Depending on your mood, you can either allow gear-changes to take place automatically or, for a sportier driving style, operate the S tronic® system using the gear lever or steering wheel shift-paddles. The choice is yours.

7-speed S tronic®

The 1.8 TFSI® model is available with a 7-speed version of our highly-acclaimed S tronic® gearbox. The extra gear, along with a dry-clutch set-up, results in improved fuel economy and lower CO_2 emissions. As with the 6-speed S tronic® gearbox, this gear system can be operated in fully automatic mode, or using the gear lever or steering wheel gear-shift controls for an even more engaging drive.

Efficiency

At Audi, doing less is something we're trying to do more of. We're working to use less fuel, release less CO_2 and waste less energy. It's why we've incorporated a number of more efficient technologies into the Audi A3 Cabriolet.

S tronic®

Efficient driving is all about thinking ahead, which is what the optional S tronic® transmission does in the Audi A3 Cabriolet. When you're accelerating in second gear, it's preparing to step up to third. Once the switch happens, it's already thinking about fourth. Thanks to two clutches working together, gear changes occur almost instantly, leading to smoother acceleration and increased economy.

Gear-change indicator

Small changes to your driving style can have a big impact on your fuel economy. The gear-change indicator in the Audi A3 Cabriolet is there to indicate the optimum gear to use for any given speed, encouraging early upshifts to ensure you don't burn more fuel than necessary.

Images for illustrative purposes only

Aerodynamics

A car’s shape is one of the most important factors that influences its efficiency. That’s why we’ve designed the Audi A3 Cabriolet to be as aerodynamic as possible.

Standard model equipment

All A3 Cabriolet models have the following items of standard equipment

Engines

Automatic Start-Stop function for greater fuel and CO_2 efficiency. Comprising:

– Recuperation for optimal energy utilisation

– Energy saving tips feature in Driver's Information System, including gear-shift indicator (if fitted)

(Only available on 1.2 TFSI, 1.6 TDI and 2.0 TDI 140PS)

Wheels, tyres and suspension

16" x 6.5J '7-arm' design alloy wheels with 225/55 R16 tyres

Locking wheel bolts

Tyre mobility system

Audio and communication

Chorus radio/single CD player with front speakers

Seats

Driver and front passenger manual seat height adjustment

Easy entry front seats

'Frequency' cloth upholstery

Seat belts – 3-point on all four seats

Split-folding rear seats (50:50)

Safety and security

Audi backguard head restraints for front seats (adjustable)

Driver, front passenger and side airbags for front seats

Electronic Stability Programme (ESP), including ABS, EBD, ASR and EDL

Front and rear ISOFIX child seat preparation (front passenger seat with airbag deactivation switch)

Halogen daytime-running lights

Halogen headlights

Rear fog light

Rear head restraints

Remote-control central locking

Roll-over protection bars

Servotronic – electromechanical, speed-sensitive, power-assisted steering

Thatcham Category 1 Alarm and Immobiliser

Warning triangle

Tool kit and car jack

Interior equipment

4-spoke leather steering wheel (manual models only)

3-spoke leather Sports steering wheel with gear-shift paddles (S tronic models only)

16" x 6.5J '7-arm' design alloy wheels

Driver, front passenger and side airbag for front seats

Split-folding rear seats (50:50)

4-spoke leather steering wheel

Electric front and rear windows

Front and rear floor mats

Granite or Umbra inlays and door trim (depending on upholstery colour – see page 44)

Heated rear glass screen

Heat-insulating glass

Illuminated vanity mirrors

Manual air conditioning

Manual headlight adjustment

Steering wheel adjustment for height and reach

Washer fluid level indicator

Exterior equipment

Body-coloured door mirrors with integrated indicators

Chrome trim on door handles

Electrically-operated and heated door mirrors

Fully automatic, acoustic hood, with one-touch and key operation – opens in nine seconds and can be operated at speeds of up to 18mph

Single exhaust tailpipe (1.2 TFSI, 1.6 TDI, 2.0 TDI)

Twin exhaust tailpipes (1.8 TFSI, 2.0 TFSI)

Sport Final Edition model equipment

In addition to Standard model equipment

Basic RRP
£1,950.00

Total RRP inc VAT
£2,340.00

Wheels, tyres and suspension

17" x 7.5J '5-arm Kinetic' design alloy wheels with 225/45 R17 tyres

Sports suspension (lowered by 15mm)

Audio and communication

Bluetooth interface

Concert radio with single front-loading CD player, MP3 file compatibility and active front and rear speakers. Includes AUX-IN socket in front-centre compartment

Seats

Front Sports seats

Heated front seats

Vienna leather upholstery

Safety and security

Acoustic parking system (rear only)

Cruise control

Front fog lights with chrome surrounds

Interior equipment

3-spoke leather Sports multi-function steering wheel (with gear-shift paddles on S tronic models)

Door sills with aluminium inlays

Dual-zone electronic climate control

Driver's Information System with energy saving tips feature including gear-shift indicator

Light and rain sensor package (auto-dimming rear-view mirror and door mirrors, automatic headlight activation, automatic windscreen wipers, coming home/leaving home function and sun band for windscreen)

Wind deflector

Front centre armrest

Exterior equipment

Exterior aluminium design trim: roll bars, shoulder line trim

17" x 7.5J '5-arm Kinetic' design alloy wheels

Dual-zone electronic climate control

Exterior aluminium design trim (roll bars)

Front fog lights

RRP – Recommended Retail Price. VAT is calculated at 20% but this may alter to reflect any change in the applicable VAT rate.

S line Final Edition model equipment

In addition to Sport model equipment

Basic RRP
£2,029.17

Total RRP inc VAT
£2,435.00

Wheels, tyres and suspension

18" x 7.5J '5-segment spoke' design alloy wheels with 225/40 R18 tyres

Audio and communication

Audi Music Interface (AMI)

BOSE premium sound system

Satellite Navigation system – DVD-based

Seats

Vienna leather upholstery with embossed S line logo

Interior equipment

Black leather handbrake trim

Black perforated leather gear knob

Black headlining

Door sills with aluminium inlays and S line lettering

Floor mats with black or silver stitching

Matt-brushed aluminium inlays and door trims

S line leather multi-function steering wheel (with gear-shift paddles on S tronic models)

Exterior equipment

Single chrome-trimmed exhaust tailpipe (1.2 TFSI, 1.6 TDI, 2.0 TDI)

Twin chrome-trimmed exhaust tailpipes (1.8 TFSI, 2.0 TFSI)

S line badges on front wings

S line body styling comprising front bumper with enhanced fins and rear bumper with Platinum grey diffuser insert

Xenon Plus headlights with LED daytime running lights

18" x 7.5J '5-segment spoke' design alloy wheels

Xenon Plus headlights with LED daytime running lights

Door sills with aluminium inlays and S line lettering

S line leather multi-function steering wheel

RRP – Recommended Retail Price. VAT is calculated at 20% but this may alter to reflect any change in the applicable VAT rate.

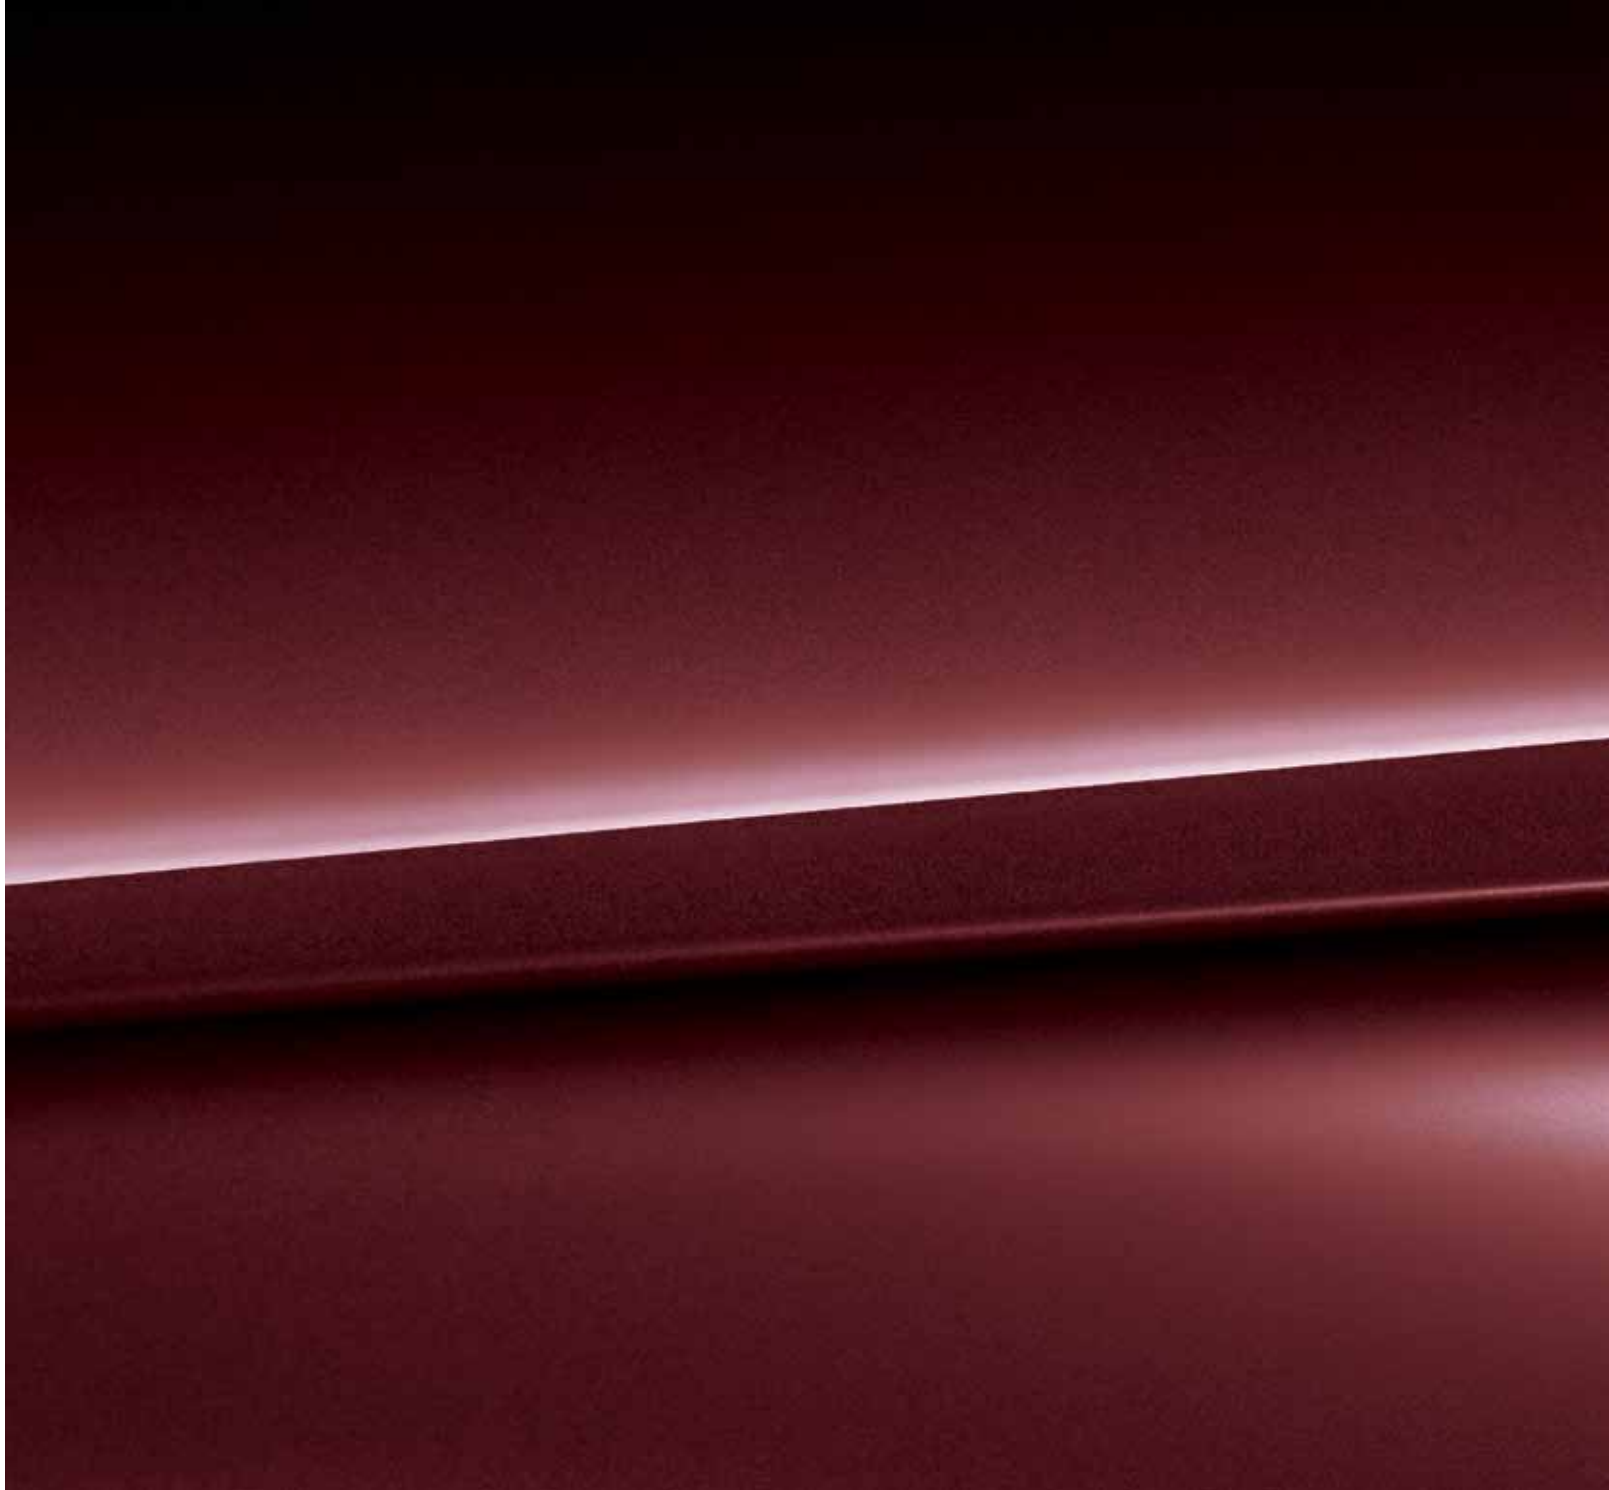
Audi exclusive

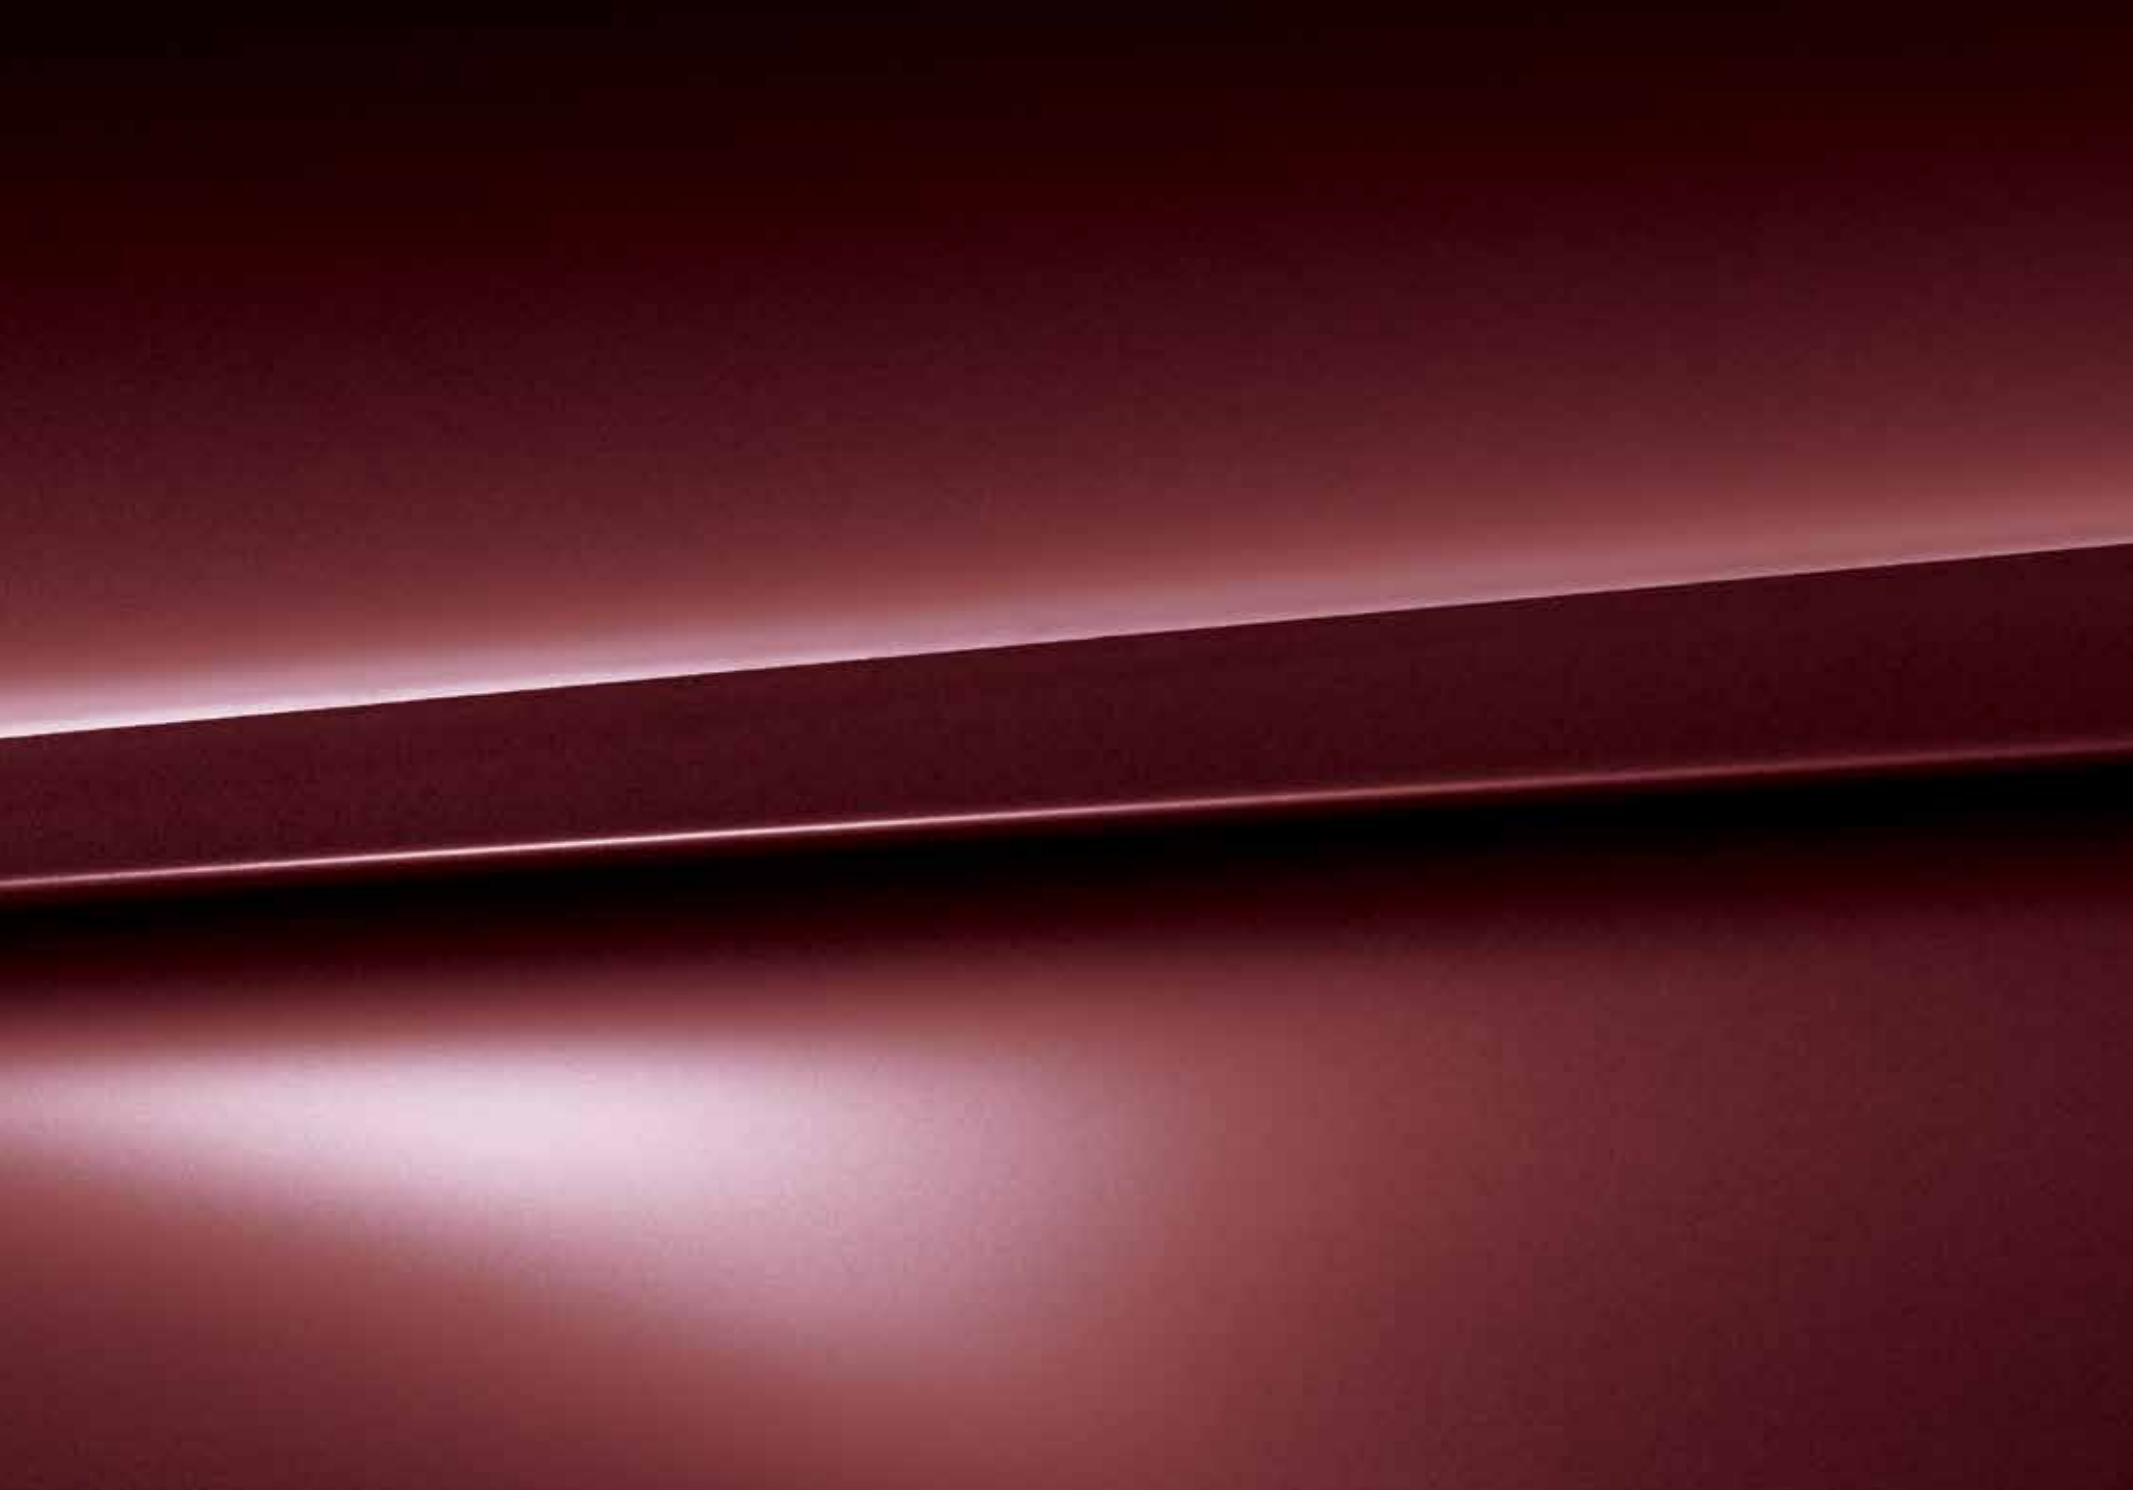
Every Audi is intrinsically exclusive. It's the breathtaking design, the exceptional engineering, the Vorsprung durch Technik. But for that special touch you can specify your new A3 Cabriolet with options from Audi exclusive. Whether you want a unique, custom-mixed paint colour or seats in a combination of complementary shades, Audi exclusive will enable you to drive the car you've always imagined.

Both the exclusive and standard options can be found on the following pages.

Paint choices

We believe that every part of your car should have a personal touch. Which is why you can choose from a wide range of paint colours and finishes, from standard shades to metallic and pearl effects. We can even mix a customised colour for you to create the perfect fit.





Paint and hood colours

You can select one of the standard colours shown opposite or, for a different look, choose from the range of optional finishes.

Options are subject to availability and may extend delivery.

All the colour swatches on this page are matched as accurately as possible to the actual paint colours used. However, due to print processes, Audi UK cannot guarantee that colours shown are 100% accurate.

Visit your local Audi Centre for a more accurate colour swatch.

RRP – Recommended Retail Price.

Paint

Audi exclusive

Everyone has a favourite colour. No matter what yours is, Audi exclusive provides a range of unique colours that have been designed to set your car apart. Choose from the swatches here, or specify any other paint colour in the Audi range – whether it's Jet blue from the Audi R8 or Alpine white from the original Audi quattro. The choice is yours.

Customised

If you have a particular colour in mind, we'll mix the exact metallic or pearl-effect shade you want.*

*Custom paint is subject to factory approval, and is available for metallic and pearl-effect water-based paints only. Three-colour process colours and two-tone schemes are not available.

†Visit your local Audi Centre for colour samples.

Audi Complete

Audi Complete is simply a way to look after the servicing and maintenance costs for your Audi in a single package. You pay a one-off or monthly fee and we'll cover all your servicing, maintenance and tyres for the next three years including your first MOT. It means you only have to pay for fuel, insurance and your Road Fund Licence. So you can be reassured that your car will be maintained by trained Audi Technicians, using genuine Audi parts.

*Retail customers only. Pricing based on 3 years/30,000 miles (whichever occurs sooner). All pricing is a 'starting from' price for the Audi A3 Cabriolet model range and is therefore subject to change and mileage/model dependent

Order Code			A3 Cabriolet	Basic RRP	Total RRP inc VAT
–	**Audi Complete – Service and Maintenance.** Comprehensive care for your Audi covering all your servicing and maintenance for 3 years, as well as your first MOT. Visit your local Audi Centre for further information or audi.co.uk/audicomplete for full details including terms and conditions	Monthly Direct Debit	•	£18.33	£22.00*
–	**Audi Complete – Service, Maintenance and Tyres.** Comprehensive care for your Audi covering all your servicing, maintenance and tyres for 3 years, as well as your first MOT. Merchandise

From the enthusiasts' motorsport collection to the sophisticated Audi collection, there's a wide variety of adults' and children's clothing, lifestyle accessories and collectables, all of which bear the Audi name.

Please speak to a member of our team at your local Audi Centre to see the full Audi collection and to place an order. A selection of Audi merchandise is also available to buy from **audi.co.uk/merchandise**.

Accessories

Choosing an Audi isn't just a matter of deciding on the model you want; it's about creating a car that suits your needs perfectly. And that's why we've developed a whole range of accessories to enhance your A3 Cabriolet, enabling you to customise it down to the last detail. Like your Audi, all these accessories are developed to the highest possible standards. They're all available exclusively from Audi.

To find out more, just visit **audi.co.uk/accessories** or contact your local Audi Centre.

Warranty

All the accessories available on the A3 Cabriolet are covered by a three-year warranty* if they are ordered and included in the purchase price of the car at date of delivery. Any accessories ordered and installed after delivery include a two-year warranty.*

*Excluding Road Angel products.
Audi Accessories warranty terms and conditions can be found at audi.co.uk

*Highest insurance group rating shown. Group may be lower dependent on trim level. Please visit www.thatcham.org/abigroupratings for details.

[1]The given value was obtained in accordance with the specified measurement procedure (the respective current version of the Directive 80/1269/EEC).

[2]Top speed is achieved in top gear.

[3]Fuel consumption and CO_2 emissions figures are obtained under standardised test conditions (Directive 93/116/EEC) using a representative model. This allows direct comparison between different models from different manufacturers, but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available at www.vca.gov.uk.

[4]Vehicle's unladen weight without driver (calculated in accordance with the current version of Directive 80/1268/EEC). The fitting of additional equipment may increase the vehicle's unladen weight and drag coefficient, whereupon the potential carrying capacity and top speed will be correspondingly reduced.

[5]The engine's power output always goes down with increasing altitude. At 1,000m above sea level, and for every additional 1,000m, deduct 10% from the weight of the outfit (trailer load limit + gross weight of the towing vehicle).

Please note: The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of brake horsepower). To convert to horsepower, divide the PS figure by 1.0139

Max trailer load with 8% gradient[5], kg	1700	1700	1700
Luggage compartment capacity, rear seats upright, litres	260	260	260
Luggage compartment capacity, rear seats folded, litres	674	674	674
Fuel tank capacity approx, litres	55	55	55

*Highest insurance group rating shown. Group may be lower dependent on trim level. Please visit www.thatcham.org/abigroupratings for details.

[1]The given value was obtained in accordance with the specified measurement procedure (the respective current version of the Directive 80/1269/EEC).

[2]Top speed is achieved in top gear.

[3]Fuel consumption and CO_2 emissions figures are obtained under standardised test conditions (Directive 93/116/EEC) using a representative model. This allows direct comparison between different models from different manufacturers, but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available at www.vca.gov.uk.

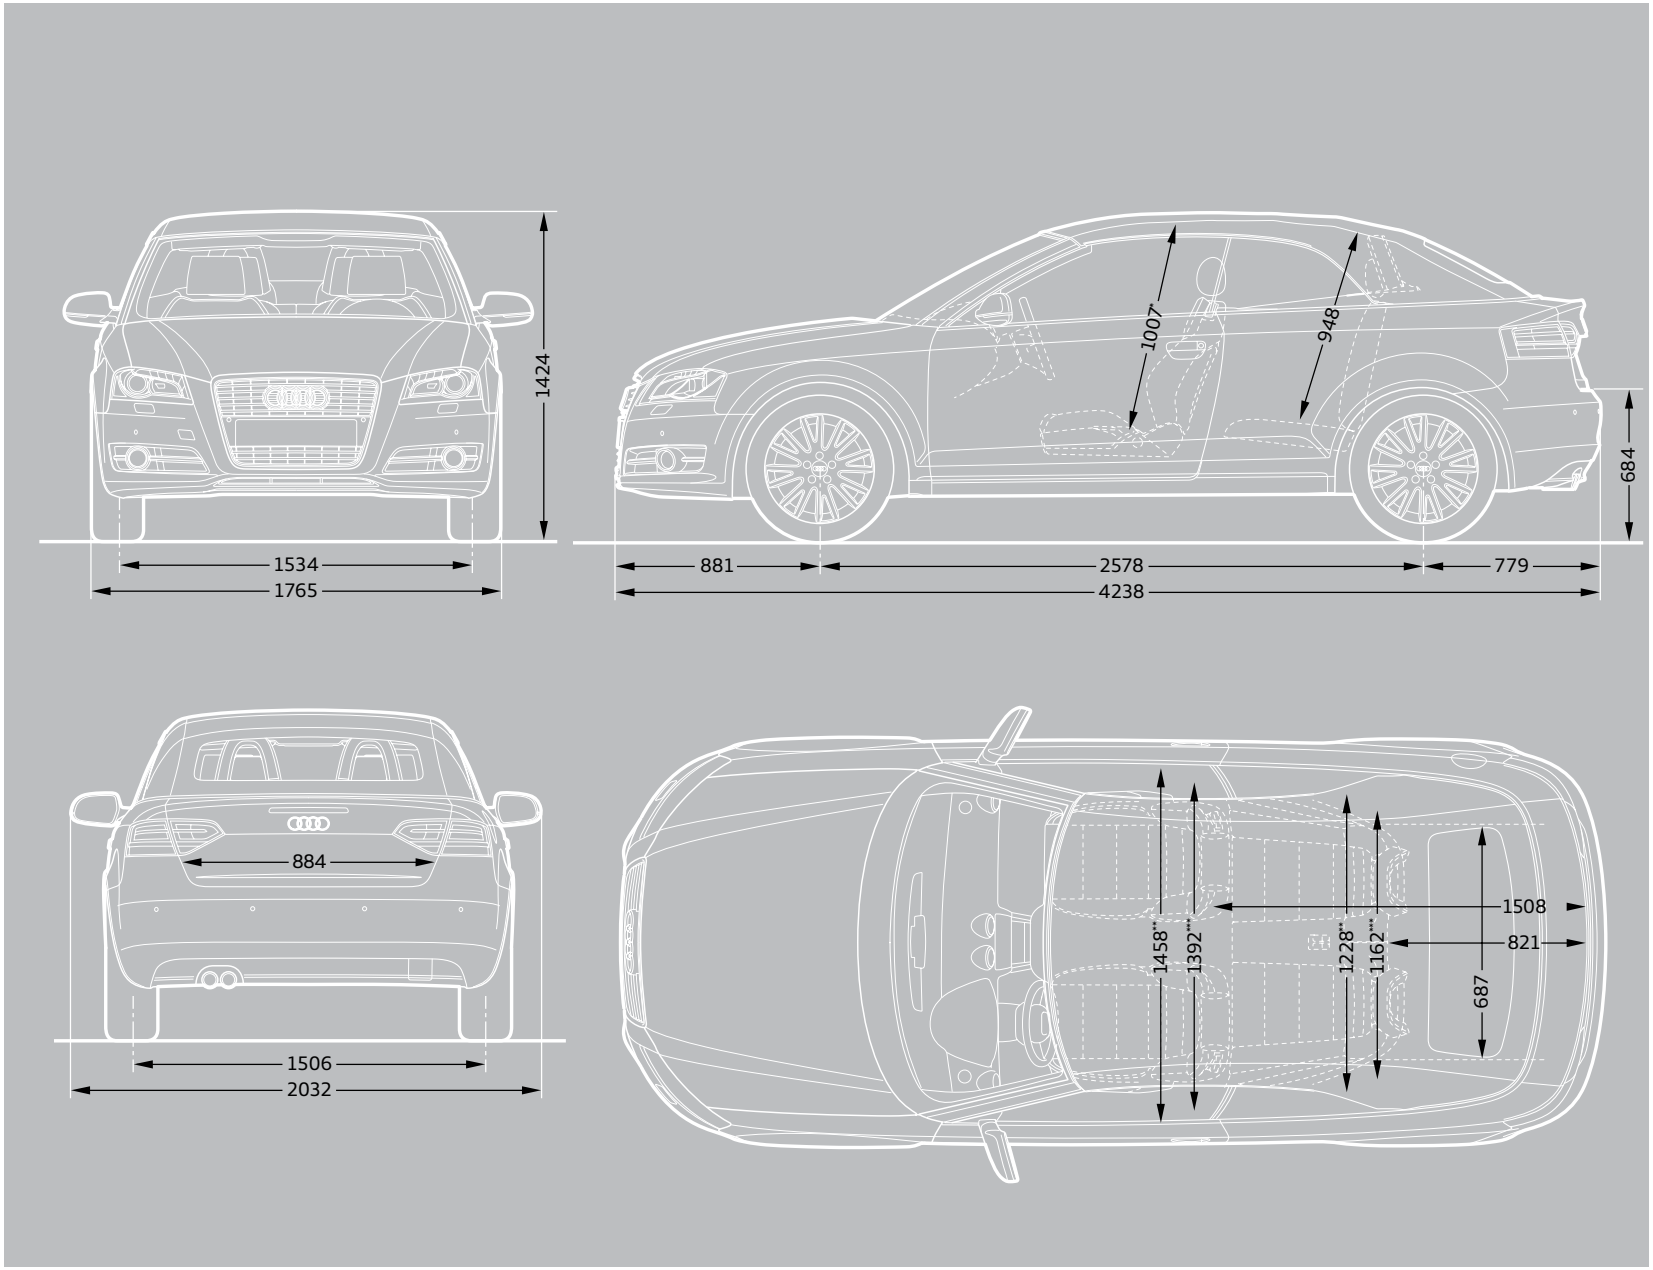
[4]Vehicle's unladen weight without driver (calculated in accordance with the current version of Directive 80/1268/EEC). The fitting of additional equipment may increase the vehicle's unladen weight and drag coefficient, whereupon the potential carrying capacity and top speed will be correspondingly reduced.

[5]The engine's power output always goes down with increasing altitude. At 1,000m above sea level, and for every additional 1,000m, deduct 10% from the weight of the outfit (trailer load limit + gross weight of the towing vehicle).

Please note: The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of brake horsepower). To convert to horsepower, divide the PS figure by 1.0139

A3 Cabriolet dimensions

The technical drawings opposite show the exact dimensions of the A3 Cabriolet, so you can check everything – from whether the car will fit in your garage to whether your luggage will fit in the boot.



Dimensions were measured with vehicle at unladen weight.

Luggage compartment volume in litres: 260/260 (as measured by the VDA standard test method using 200 x 100 x 50mm blocks; first value: closed hood; second value: open hood).

Turning circle approx 10.7m.
Dimensions in millimetres.
*Maximum headroom.
**Elbow room width
***Shoulder room width

Additional information

CO_2 data and information

CO_2 emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO_2) a vehicle emits, measured in grams per kilometre (g/km). First year VED rates apply to the first year of ownership. Annual VED rates apply thereafter. The DVLA has created thirteen categories:

Petrol and Diesel engines	First year	Annual rate (second year onwards)
A – up to 100g/km	£0.00	£0.00
B – 101 to 110g/km	£0.00	£20.00
C – 111 to 120g/km	£0.00	£30.00
D – 121 to 130g/km	£0.00	£100.00
E – 131 to 140g/km	£120.00	£120.00
F – 141 to 150g/km	£135.00	£135.00
G – 151 to 165g/km	£170.00	£170.00
H – 166 to 175g/km	£275.00	£195.00
I – 176 to 185g/km	£325.00	£215.00
J – 186 to 200g/km	£460.00	£250.00
K – 201 to 225g/km	£600.00	£270.00
L – 226 to 255g/km	£815.00	£460.00
M – over 255g/km	£1,030.00	£475.00

Vehicle Excise Duty (VED) rates correct at time of going to print, but these may alter to reflect any change in the applicable VED rate

Servicing tailored to your needs

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you preserve the future re-sale value. To make servicing easy, the Audi Service Schedules have been designed to work with your individual driving style and vehicle.

There are two schedules available and your Audi Centre will advise which schedule is most suited to your needs. The conventional fixed Audi Inspection Service Schedule has fixed intervals for the Oil-change and Inspection Service that are based on time and distance, whichever comes first.

With the Audi LongLife Service Schedule, sensors take account of driving style and conditions in which the vehicle is used to indicate when the Oil-change Service is required. Oil-change Service intervals are therefore variable and are conveniently indicated via the on-board service interval display.

Audi Complete

When selecting the option of Audi Complete your vehicle should be placed on the following service schedules dependent on your mileage per annum:

- Under 10,000 miles per annum – Fixed Inspection Service Schedule
- Over 10,000 miles per annum – LongLife Service Schedule

Fixed Inspection Service Schedule

	Vehicle usage:
Mileage	Less than 10,000 miles per annum
Type of journey	Mainly city/town centre driving. Short journeys
Conditions	Frequent cold starts. High engine loading – e.g. frequent hill climbs, vehicle fully loaded, towing
Driving style	Uneconomical – e.g. heavy acceleration, heavy braking, constant changes in speed, constant use of high revs, 'sporty' driving

	Service Intervals:
Oil-change Service	Fixed to every 9,000* miles/1 year
Inspection Service	Fixed to every 19,000* miles/2 years

Variable LongLife Service Schedule

	Vehicle usage:
Mileage	More than 10,000 miles per annum
Type of journey	Motorway and main road driving. Mainly longer distance journeys. Constant speeds
Conditions	Normal engine loading – e.g. with little or no towing, with little or no hill climbs. Normal vehicle loading
Driving style	Moderate acceleration, moderate braking, engine revs mainly below 3,000

	Service Intervals:
Oil-change Service	Variable to a maximum of every 19,000* miles/2 years
Inspection Service	Fixed to every 19,000* miles/2 years

*As indicated by the service interval display. Mileages are approximate as the Service Indicator system uses kilometres as its distance measurement.

Additional information

Welcome to Audi

By placing an order for your Audi, you're choosing to get behind the wheel of one of the most sophisticated cars on the road. And because we believe the service we offer should be just as advanced, we wanted to let you know exactly what you can expect from us, now and in the future.

We've agreed a set of standards with all our Centres, which governs the way we do business with you. It outlines the kind of service we promise to deliver for every customer, right down to filling each new Audi we sell with half a tank of fuel.

So whether you're interested in the date your car will arrive in the UK or the way we'll dispose of non-biodegradable materials after we service your Audi, you can have total confidence in us.

Audi Promise

Audi Centres

We guarantee that all our Centres will be open as follows:

Sales: Monday to Friday 9am–6pm
Saturday 9am–5pm

Service: Monday to Friday 8am–6pm
Saturday 8.30am–1pm

Sunday opening is at local discretion.

New car delivery

Once we've confirmed a delivery date for your car, we'll keep you informed of progress. Subject to reasonable notice, we'll then deliver it to a place of your choice, whether that's your home or work. In the unlikely event of a delay, we'll provide a courtesy car to minimise inconvenience and keep you mobile.

The experts in Vorsprung durch Technik

Would you entrust your Audi to anyone who hasn't been regularly trained to Audi standards? Our Audi Approved Master Technicians have undergone an impressive 100,000 hours of training over a 10-year programme to ensure they have the latest technical expertise for maintaining and servicing your Audi. All our Service Advisors undergo a specialist induction and training to ensure they are Audi professionals and able to talk to you about any issues you may have with your Audi vehicle. What's more, we have so much expertise and experience in looking after Audi vehicles that we are able to make a note of your mileage and the state of your vehicle as and when we see it and predict when certain key events may occur. As part of our commitment to you, we will notify you in plenty of time so you can make an appointment with us.

Your convenience comes first

At Audi you can choose from a range of convenient services that suit your needs. Why not book a 'service while you wait' appointment* and enjoy our complimentary refreshments while your car is with us? Or, if you need to be mobile, take advantage of one of our courtesy cars which we can even collect and deliver to you.* We guarantee we can service your Audi within 5 days without a courtesy car, or within 10 days if you need transport. We will also ensure your car is returned to you with a full valet.

Audi Genuine Parts

Would you put a part into your Audi that wasn't the same quality as the factory fitted original? You can rest assured that only Audi Genuine Parts will be used on your vehicle. What's more, Audi parts and labour come with a 2-year guarantee.** We stock a wide variety of parts, so we are well covered. However, if we don't have a part in stock at our Centre we have the back-up of parts at other Audi Centres, at our national warehouse and our factory and can usually source the relevant part very quickly.

We don't like surprises either

We believe strongly in transparency and there will be no hidden costs. For added peace of mind, we will give you a quotation over the phone for the work you have requested and email you the price confirmation. We'll consult you if any additional work on your car is needed when it is with us. We won't carry out any extra work without asking your permission first.

The Audi Stamp

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you preserve the future re-sale value of your car. Only the Audi Stamp will prove your approved Audi service history.

Getting better every time

We continually gather feedback from our Audi Trained Technicians, as well as our customers, to ensure our vehicles are running as they should. Whenever we see an Audi for a service, we connect it directly to our headquarters in Ingolstadt which enables us to check your car's software and make sure it's as up-to-date as possible. If the factory has released a software upgrade for your model, it can be applied immediately – improving anything from your car's efficiency to the precision of its parking system.

Environmental commitment

We promise to dispose of all non-biodegradable materials from your vehicle in a responsible manner

*Subject to availability.

**Excludes wear and tear.

Pricing information

Pricing

Prices and specifications given are correct at the time of printing. Always check details with your Audi Centre, as Audi policies are continually developing. We reserve the right to change prices or specifications at any time.

All prices are subject to VAT, currently charged at 20% but this may alter to reflect any change in the applicable VAT rate.
